Chiropractic Radiology Seminar

Sunday, May 24th, 2009
9 am - 12 noon

Kosim Education Centre, 135 Sparks Ave., Toronto, ON

Join your colleagues from across central Ontario for an enjoyable morning of fun, camaraderie, draw prizes, useful, relevant information and CHIROPRACTIC!

featuring:

MARSHALL DELTOFF, DC, DACBR, FCCR(C)

- **CMCC past radiology department chairman**
- **initiated radiology programme at UQTR**
- **author - "The Portable Skeletal X-Ray Library"**
- **lectured extensively throughout North America**

Dr. Deltoff presents a practical review of how to approach and describe radiographic findings; includes many case examples for discussion in an informal, fun, rounds-type atmosphere. As time allows, doctors may bring problem cases for technical or diagnostic discussion.
